

WHY CHOOSE US?

Our Ohana

NAVFAC Hawaii proudly employs approximately 1,500 Federal civilians and 225 active duty military personnel. NAVFAC Hawaii fosters a professional, world-class workforce made up of a variety of administrative, technical, scientific, and skilled trades employees. We take pride in our mission, people, and serving the country as public servants in this beautiful state of Hawaii.

We Have Something For You!

NAVFAC Hawaii is responsible for delivering and maintaining quality, sustainable facilities for the Navy, Marine Corps, Air Force, Department of Defense and other Federal agency customers in Hawaii. Our business lines include:

Asset Management– Provides strategic shore planning, facilities inventory development and maintenance, and real estate management

Capital Improvements– Leads design and construction engineering services for a variety of shore establishments

Environmental– Oversees the conservation, protection, and restoration of the environment, natural and cultural resources by providing planning and compliance consultation

Public Works– Delivers essential utility services, facilities construction and maintenance, and transportation services

Great Benefits!

We are a Federal employer and offer the complete benefits package to include: health insurance, dental/vision, flexible spending accounts, long term care, life insurance, annuity/401k plan, paid leave and holidays, flexible work schedules, telework and more!

Opportunities Galore!

NAVFAC Hawaii encourages and promotes career and personal growth through a variety of formal training programs and leadership opportunities. NAVFAC is a global enterprise, in more than 20 locations throughout the world, including overseas opportunities in Italy, Guam, and Japan!
