EXPLORE GUAM

Guam, an island territory of the United States, is located 900 miles north of the equator in the Western Pacific. Guam is the largest island in Micronesia and the gateway to the Region. It is approximately 6,000 miles from San Francisco; 3,800 miles west of Honolulu; 1,500 miles south of Japan; 1,596 miles from the Philippines and 2,026 miles east of Hong Kong. Guam enjoys mild temperatures of 86 degrees (F) on average year round. Guam's tropical weather allows for a multitude of activities. From tandem skydiving, jet skiing parasailing, kite surfing and many others; dive enthusiasts will enjoy the warm waters off Guam and snorkelers will be in awe of the Tumon Bay Marine Park protected marine life.

Water activities are not the only pastime when it comes to appreciating the island. Attending village Fiestas, beautiful hiking trails, WWII sites, golfing, three shopping malls, and four movie theaters are just a few other activities.

Whether you are looking to experience traditional Chamorro culture, an exciting nightlife, or the irresistible shopping environment, Guam is the perfect place to enjoy paradise.
