

**NOTICE OF AVAILABILITY
DEPARTMENT OF DEFENSE
DEPARTMENT OF THE NAVY
DRAFT ENVIRONMENTAL ASSESSMENT (EA) FOR
GLASS BREAKWATER EMERGENCY BREACH REPAIR, NAVAL BASE GUAM**

Pursuant to the Council on Environmental Quality Regulations implementing the National Environmental Policy Act (NEPA), the United States Department of the Navy (the Navy) gives notice of availability of a Draft Environmental Assessment (EA) and requests public comment on the proposed action: Emergency Breach Repair of the Glass Breakwater, Apra Harbor Guam. The Navy project would temporarily repair failed sections of the breakwater that were damaged by Typhoon Mawar. The Navy anticipates the proposed action would result in less than significant impacts on the quality of the human or natural environment.

This Notice of Availability will be published for three consecutive days in the Pacific Daily News and the Guam Daily Post. The draft EA is available for public review on the following website <https://pacific.navfac.navy.mil/About-Us/National-Environmental-Policy-Act-NEPA-Information>. Hard copies of the draft EA are available for public review at Nieves M. Flores Memorial Library, in Hagåtña.

Written comments on the draft EA may be provided by mail to: ATTN: Environmental Office, U.S. Naval Base Guam, PSC 455 Box 152, FPO AP 96540-1000, or by email: gbwea@us.navy.mil. Written comments must be received or postmarked by October 1, 2024 to be considered in the Final EA.
