Guam SHPO	<p data-bbox="567 324 1917 470">We have reviewed subject PA Memo #1, February 24, 2016, and do not concur with Navy's determination of "no effect on historic properties." These water wells will adversely affect the Argicultural Complex (Guam Historic Property Inventory (GHPI) 66-08-2707). This site number must be indicated in your reports.</p> <p data-bbox="567 503 1917 708">Figure 3 does not reflect GHPI 66-08-2707, which is eligible for listing in the National Register as previously indicated to NAVFAC during the review of the SEIS and during other reviews, neither is there indication of the <i>[original statement has been redacted due to confidentiality requirements under the Archaeological Resources Protection and National Historic Preservation Acts]</i> found by Dixon. Again, please complete and provide us the GHPI Data Form for 66-08-2707; other than this pending item, the shapefile for the site has been drawn and recorded in our files.</p>
