Public Service Announcement

PEARL HARBOR – New information regarding projects in support of the military relocation to Guam is now available on the Cultural Resources Information page of the Naval Facilities Engineering Command Pacific's website at: <http://goo.gl/5I25S>.

Comments on the assessment of effects within the specific project footprint will be accepted for 45 calendar days after the project is posted. The comment deadline for the proposed **P-109 VMM Hangar #1 Project and the J-200 North Ramp Utilities II** on Andersen Air Force Base, Guam, is Sept. 27, 2013.

Those without internet access may pick-up a written description of this project and a mail-in comment sheet from the Guam Historic Resources Division located within the Department of Parks and Recreation at 490 Chalan Palasyo, Agana Heights (across from U.S. Naval Hospital Guam).
