Public Service Announcement

Public Comments Accepted Through June 2 for Programmatic Agreement (PA) Memos Related to Proposed Projects for the Military Relocation

PEARL HARBOR – Naval Facilities Engineering Command (NAVFAC) Pacific announced today the 45-day public comment period, for the identification and eligibility of cultural resources associated with **Utilities and Site Improvement Mass Grub and Grade, Phases 1 and 2 (PA Memo #1)**, will remain open through **June 2, 2014 (Chamorro Standard Time)**.

The projects propose the first and second phases of required utilities and site improvements at Naval Base Guam, Telecommunications Site (NBGTS), should NBGTS be the selected alternative for construction of a main cantonment to support the Guam and Commonwealth of Northern Mariana Islands (CNMI) Military Relocation.

Information regarding the proposed projects was available for public review and comments on April 16, 2014 for 45 days. The PA Memos may be found on the NAVFAC Pacific Cultural Information (CRI) website at <http://go.usa.gov/kZWG>. (Please note the URL is case sensitive).

Those without internet access may obtain a hard copy of the PA Memos from the Guam Historic Resources Division, located at 490 Chalan Palasyo, Agana Heights, 96910 (in the Department of Parks and Recreation Office).
