A Programmatic Agreement Memo for a Marine Corps Relocation project is now available for public comment through Apr. 26 |

ASAN, Guam – Naval Facilities Engineering Command (NAVFAC) Marianas announces the availability of a Programmatic Agreement (PA) Memo for public review and comments through Apr. 26, 2019.

PA Memos provide an opportunity for interested members of the public to participate in the Section 106 consultation process required under the National Historic Preservation Act (NHPA).

The following PA Memo provides new cultural and natural resources information associated with planned construction projects and are available on the NAVFAC Pacific Cultural Information (CRI) webpage at <http://go.usa.gov/kZWG>. (Please note the URL is case sensitive).

P-608 Project Design Studies for Earth Covered Magazines and Ordnance Pad. This project proposes to conduct project design efforts including geotechnical and topographic surveys for eight (8) earth covered magazines and one (1) ordnance pad within the bounds of Naval Base Guam Ordnance Annex (NBGOA) and Orote Point, Naval Base Guam (NBG).

Interested members of the community may submit comments via email to criwebcomment@navy.mil.

Those without internet access may obtain a printed copy of this PA Memo from the Guam Historic Resources Division, located at 490 Chalan Palasyo, Agana Heights, 96910 (in the Department of Parks and Recreation Office).

In addition, the community is encouraged to subscribe to regular updates and other information related to the Programmatic Agreement by visiting the Joint Region Marianas (JRM) web page and signing up at the following link: <https://go.usa.gov/x5BQS>.
