**Reminder: Programmatic Agreement (PA) Memo Related to a Military Relocation Project is Open for Public Comments Through Jan. 23**

**PEARL HARBOR-HICKAM** – Naval Facilities Engineering Command (NAVFAC) Pacific reminded the public today that the comment period deadline for the Programmatic Agreement (PA) Memo for Project J-001B: Finegayan Utilities and Site Improvements Phase 1 (PA Memo #2) is Jan. 23, 2015 Chamorro Standard Time (ChST). Comments may be submitted to [criwebcomment@navy.mil](mailto:criwebcomment@navy.mil).

PA Memos provide an opportunity for interested members of the public to participate in the Section 106 consultation process required under the National Historic Preservation Act. More specifically, PA Memo #2 presents summarizes the project description and locale, the historic properties that will be adversely affected and the DOD's plan for resolving adverse effect.

J-001B proposes the first phase of required utilities and site improvements at Naval Base Guam Telecommunications Site (NBGTS), should this area be the selected alternative for construction of a cantonment area to support the Guam and Commonwealth of Northern Mariana Islands (CNMI) Military Relocation. This project proposes to conduct construction and associated efforts, to include design work, for J-001B Finegayan Utilities and Site Improvements Phase 1 and future improvements and vertical construction projects within the bounds of Finegayan Utilities and Site Improvements Phase 1 at NBGTS.

To view PA Memo #2 in its entirety, please log onto the NAVFAC Pacific Cultural Information (CRI) website at <http://go.usa.gov/kZWG>. (Please note the URL is case sensitive).

Those without internet access may obtain a printed copy of PA Memo #2 from the Guam Historic Resources Division, located at 490 Chalan Palasyo, Agana Heights, 96910 (in the Department of Parks and Recreation Office).
