(360) 627-4030 pao.nbk.cnrnw@navy.mil

# WHERE CAN I GET MORE INFORMATION?

Copies of the Proposed Plan are available on the table in this room, as well as fact sheets, and comment forms.

The Proposed Plan is also available online at:

https://go.usa.gov/k0loe

The RI/FS and Proposed Plan are available at the Public Information Repository at the Kitsap Regional Library, Sylvan Way Library:

Sylvan Way Library

1301 Sylvan Way Bremerton, Washington 98310 The Administrative Record for the JPHC/NHB Superfund Site is kept at Naval Facilities Engineering Command Northwest at Naval Base Kitsap, Bangor. Arrangements can be made for members of the public to review this record by contacting the Public Affairs Officer at (360) 627-4030.

#### Restoration Advisory Board

Restoration Advisory Boards (RABs) are stakeholder groups that meet to discuss environmental restoration at a site where the Department of Defense oversees the environmental restoration process. RABs provide the community with the opportunity to share questions, concerns, and ideas with representatives of the regulatory agencies and the installation.

The RAB for the Jackson Park Site has been inactive for many years. The Navy is asking the community if there is interest in re-establishing the RAB.
