GROUP 0097**

**IDIQ UNRESTRICTED MACC FOR NEW CONSTRUCTION, REPAIR, AND RENOVATION OF
WATERFRONT FACILITIES AT VARIOUS GOVERNMENT INSTALLATIONS LOCATED IN CALIFORNIA,
ARIZONA, NEVADA, UTAH, COLORADO, AND NEW MEXICO**

SCOPE OF WORK: The work to be performed under this contract provides for new construction, renovation, and repair within the NAICS code listed, by design-build or design-bid-build, of waterfront structures and dredging at various locations primarily within the NAVFAC Southwest area of responsibility (AOR), including but not limited to, California, Arizona, Nevada, Utah, Colorado, and New Mexico, but will be available to the entire NAVFAC AOR as approved by the Chief of Contracting Office (CCO). However, it is anticipated that the majority of the work will be performed in California. Types of projects may include, but are not limited to: piers, wharves, quay walls, magnetic silencing facilities, bulkheads, sea walls, dry docks, boat ramps, docks and marinas, shore protection systems, rip rap, breakwaters, wave attenuation, mooring dolphins, buoys, primary and secondary fendering, pile driving, sheet piles, camels, separators, brows, and gangways. The work also includes the design and construction of all utilities for marine operations and other waterfront structures (both in and above water) related to waterfront operations (such as unexploded ordinance, crane rails, security, all applicable Federal, State, and local regulatory/environmental requirements, etc.) to support Navy vessels and port operations. It is anticipated that the majority of the work will involve dredging and disposal, demolition, marine pile driving, fender system replacement, marine concrete repairs, pier utilities repair and replacement, and small marine construction projects such as boat ramps and platforms.

NOTE: Each task order issued under this MACC valued at \$10,000,000 or less is REQUIRED to be set aside for the 2 small business MACC holders whenever the "rule of two" is satisfied for that task order. If the "rule of two" cannot be satisfied on a task order valued at \$10,000,000 or less, the task order will be solicited to the entire MACC contractor pool.
